Housing benefit – final settlement for 2018

Following with the tax authorities' assessment of your taxes, Íbúðalánasjóður has revised your housing benefit entitlement for the year 2018 (see the Housing Benefit Act, No. 75/2016). This revision takes account of the taxable earnings, including investment earnings, and the net asset position of all persons in the home aged 18 years and older. Further information on the final settlement can be found under the “FAQ” section under husbot.is.

The outcome of the revision of your housing benefit payments for 2018 is that the payments you received were correct: neither more nor less than your entitlement. An itemization of the final settlement is shown on the next page of this letter.

If you think the information on which the revision of your housing benefit payment was based does not give a true picture of your earnings and assets during 2018, you are hereby given the opportunity to submit comments to Íbúðalánasjóður under Articles 10 and 13 of the Administrative Procedure Act, No. 37/1993. **If no comments are received from you within 10 days of the date of this letter, the fund will consider that the information was correct and the outcome will be regarded as final.**

Under Article 6 of the Housing Benefit Act, an appeal may be lodged with the Welfare Appeals Committee against the above decision. Appeals must be lodged within three months of the date of announcement of this decision. Appeals shall be addressed to the Welfare Appeals Committee (Úrskurðarnefnd velferðarmála), Katrínartún 2, 150 Reykjavík. Further information on appeals may be found on the committee's website, urvel.is.

Sincerely,
on behalf of Íbúðalánasjóður
